

EENG 410 - Microprocessor I

Lab Policies

Assignments: Each week, an assignment will be given related to the topics in the labs. Assignments should be submitted as hard copies to the assistant within one week.

Attendance: Attendance is compulsory in order to pass the lab. If you miss more than two sessions of the labs, you will definitely fail from the lab.

Final Exam: There will be an open-ended project that should be submitted at the end of the semester in groups of two or three students.

Makeup: There will be **NO** makeup for the final but you have the right to attend the missed experiments.
